Skills

Working knowledge of

- SPSS Statistics
- Statistical methodology
- Research methodology
- MS Office (Word, Excel, PowerPoint, Outlook)
- Google applications (slides, sheets)
- Qualtrics

Organization Membership

Tau Sigma

March 2021-Current

- An honors society which I had the privilege to join due to maintaining a GPA of 3.5+ during my tenure at Baylor as a transfer student.

Eta Sigma Phi

March 2021-Current

- An honors society I had the privilege to join by the recommendation of a professor, due to my high performance in a classical education class, Latin.

Bear Necessities

February 2021-November 2022

- A charity organization that I was involved with during my time at Baylor. Responsibilities included meeting other members at general welfare events, such as food drives.
